

Medical Referral Form – Notice of Hypnotherapy Services

Physician Name

Date

Dear Dr. _____;

I am writing to you on behalf of your patient, _____.

Your patient sought my professional services as a Hypnotherapist to assist them with their goal of _____.

Because there is the possibility of a medical etiology, and/or medical components for such issues, I want to be sure that you, as their medical doctor, are aware of these issues and have evaluated them to determine whether medical treatment is required.

Please let me know, if in your opinion, Hypnotherapy and/or Imagery services would in any way be medically contraindicated for your patient or if my services would in any way conflict with your medical treatment.

Please note that I am not asking for your endorsement of Hypnotherapy as I realize that you may or may not be familiar with the field of Hypnotherapy. As a graduate of HMI's Nationally Accredited College of Hypnotherapy in Tarzana, California, I am trained to work with a variety of licensed healthcare professionals, and I am following the protocol of my professional training as well as California Business and Professions Code 2908.

I look forward to using my Hypnotherapy and Imagery skills to help your patient achieve the results they are looking for. I welcome your feedback, direction, and suggestions that might be helpful to assist them in achieving their goals.

I would greatly appreciate the courtesy of you signing and returning this form so that I may be assured your receipt of this notice. If you have any questions or require any additional information, please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely,

Niki Payne
